

Cost of Public Support for Former Governors

Financial years 2011/12, 2012/13 and 2013/14

The Department of Premier & Cabinet's Transport Services Unit provides car and driver transport for former Governors for official functions as requested.

The cost of this support, summarised in the table below, is calculated using the Transport Services Unit's notional costing model, which is based on a standard charge per kilometre for the cost of the vehicle and driver.

| Financial Year | Total Cost |
|-----------------------|-------------------|
| 2011/12 | \$1,692 |
| 2012/13 | \$1,172 |
| 2013/14 | \$551 |
