

Colour in our friends who show the Joy of Giving!

Write a thank-you message for someone or something you're grateful for – like friends, family, hospital staff, volunteers or anything that makes you smile. Let's share the joy of giving by saying thanks to those who make a difference!

I give permission for my child's artwork to be used in John Hunter Children's Hospital (JHCH) activities (including fundraising materials, promotional materials, and others) and for my message of thanks to be shared in our JHCH space to thank your special people.
